This invitation entitles you to a free consultation with Dr. Lucas. During your consultation you will be able to explain your problem to him personally. After the consultation, he will advise you of your options. Dr. Lucas will describe the actions you should take and how both of you will work together in a partnership to resolve your issues. Although pain relief is achieved very quickly, it may take time to correct the underlying problems that caused the discomfort. We maintain reasonable fees for our services and there is no obligation for your consultation.

Our office has been serving the Southwest suburbs for over a decade and we would be pleased to see if we can help you! To take advantage of this offer please print this invitation and call us to set up your free consultation today.

Call today for your free - no obligation - consultation!
